Crop Occasions Cancellation and Refund Policy and Other Stuff

Crop Occasions understands that life "happens" and events occur that may force you to cancel your registration. Our cancellation policy is as follows:

- 20 days before the event, you will receive a full refund minus a \$15 processing fee.
- 15-19 days before the event, you will receive a full refund minus a \$30 processing fee.
- 7-14 days before the event, you will receive a full refund minus a \$50 processing fee.
- Less than 7 days before the event, no refunds or credits will be given.
- No refunds are given to paid registrants who do not attend .

For refunds: refunds will be issued by check.

If you are unable to attend you can give or sell your seat to someone else. However, this would be your responsibility and we can only assist if we have a wait list. Any financial transactions that take place will be your responsibility. If you do transfer your spot, please contact Crop Occasions so that will have correct contact information. If the new person is not on the list, they will not be admitted on the day of the event.

No refunds will be issued due to perceived quality of the event and no shows. However in the event of a natural disaster, national emergency, or Act of God, and Crop Occasions cancels the event, refunds will be given. However Crop Occasions fully expects to reschedule the event in which a paid registration can be used or honored.

Should a Crop Occasions event be cancelled and not rescheduled, the full registration fee will be refunded.
